

Motorcycle Training Now Sailors In Europe

Sailors, civilians and their dependants in Europe who travel by motorcycle are now required to complete a safety course prior to registering and riding their bikes.

For those who have already taken the course, a change of duty station will mean a mandatory refresher course.

All U.S. Navy personnel in Europe are effected by the policy changes, and are obligated to comply with the requirements, whether on base or not, on duty or not.

Mandatory PPE include helmets that meet or exceed U.S. Department of Transportation standards, impact/shatter resistance eyewear or helmet shield. Clothing includes long sleeve shirt or jacket and full leg trousers. Full finger gloves and sturdy boots or over the ankle footwear round out the basic attire to enjoy the wind on the road.
