

# ***NEXCOM Introduces New Lower Rate Prepaid Phone Cards***

Deployments, temporary duty and moves away from family will now be a little easier thanks to lower AT&T Prepaid Phone Card rates available in both the United States and selected overseas locations.

AT&T Prepaid Phone Cards, available at any Navy Exchange worldwide, now have rates of 5-to-9 cents per minute. In keeping with the prepaid phone card industry standard, the more minutes you buy, the better the rate becomes.

Long distance rates for overseas calling have also been lowered by as much as 50 percent for some countries.

NEXCOM is also introducing a new 800 minute AT&T Prepaid Phone Card for 5 cents per minute for calls made within the United States.

Like the NEXCOM Liberty Phone Card, this new card has no hidden charges, does not expire and can be recharged at any time. With its lower rates in the United States and higher international rates than the 50, 150 and 300 minute cards, the new 800 minute will only be sold in the United States.
